

# 15 rue Notre Dame

## The Apartment

The apartment sleeps six people in three bedrooms and is on the second floor of this delightful bourgeois 1930's building.

The beautifully proportioned high ceilinged living room is wonderfully light and airy due to the full height windows that floods the room with light. There is ample seating in the sitting room and a dining area for six in the living room.

The three bedrooms are all of a good size. The particularly large master bedroom has an emperor bed and the other two rooms both have super king beds. Both these bedrooms have access to the rear north facing balcony. All rooms can be made up as twins and feature Hypnos beds, the most comfortable beds in the world.

There is one goose down and one duck down pillow for each guest. Additionally all the bedrooms have radio alarm or Sonos speakers.

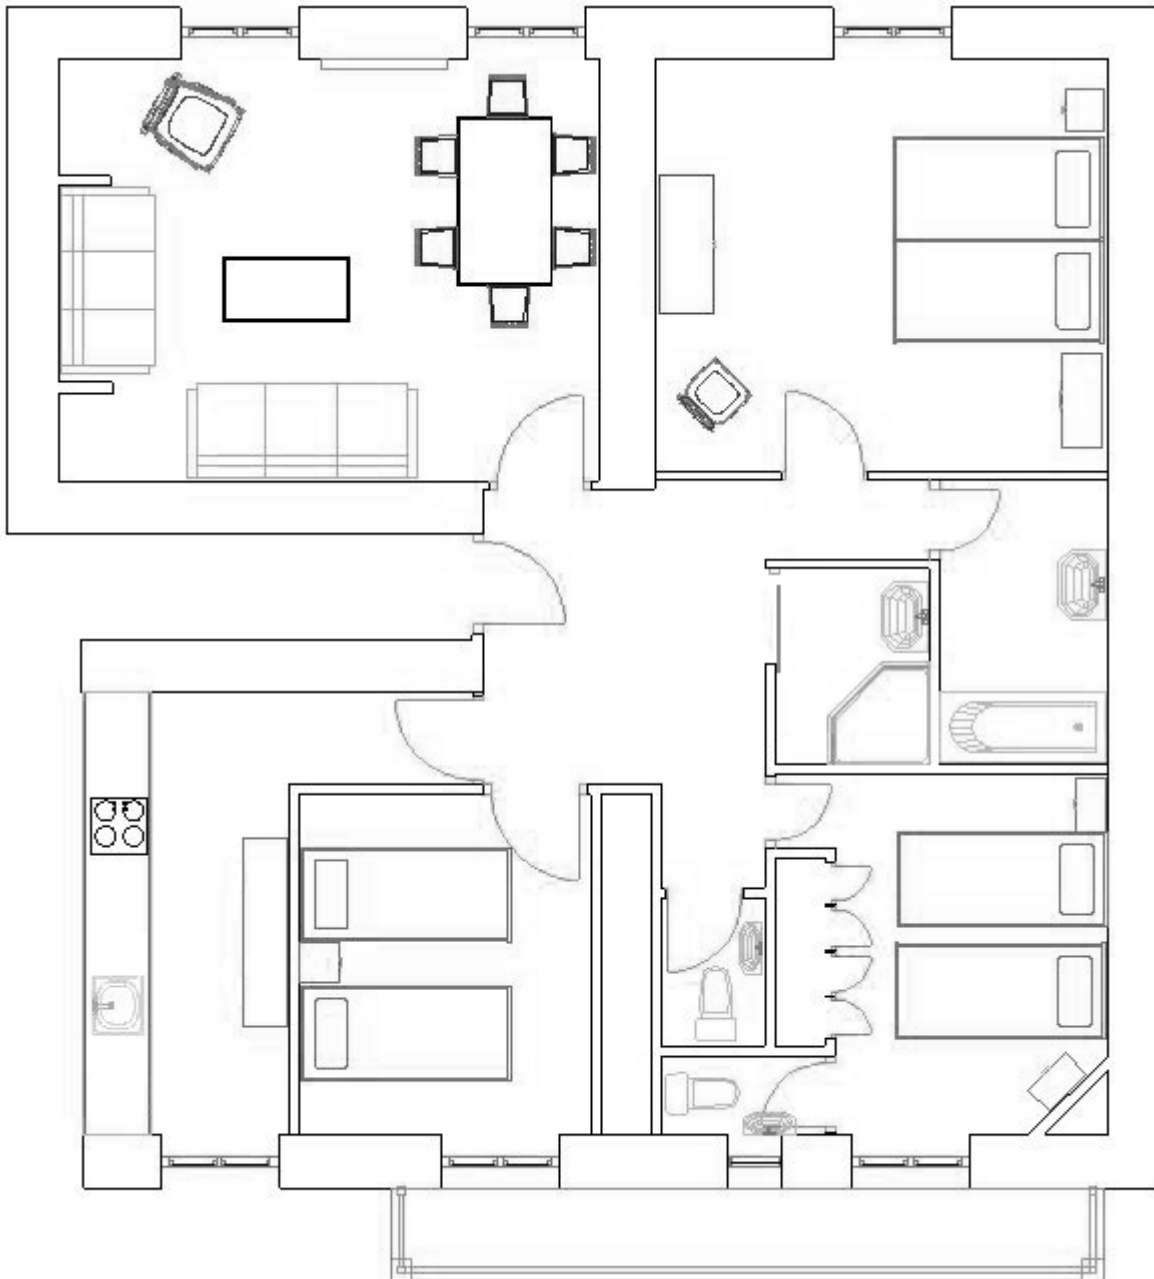

There is one bathroom, one shower room and one further loo(WC).

There is a large fully equipped kitchen. Please see below for full information about the kitchen.

## Location

The apartment is situated in the heart of the Carre d'Or of the exciting city of Cannes behind the Majestic Hotel, just a stone's throw from the Palais des Festivals, the Croisette and the wonderful shopping of the Rue d'Antibes and the surrounding streets.
